## SR 3 Belfair Bypass Project Open House

October 2007

You are invited to an open house October 23 to learn about the two chosen connectors for the State Route 3 Belfair Bypass. The Washington State Department of Transportation (WSDOT) selected a northern (N3) and a southern (S4) alternative. Both connectors will be used in the environmental study and preliminary-design phase of the project.

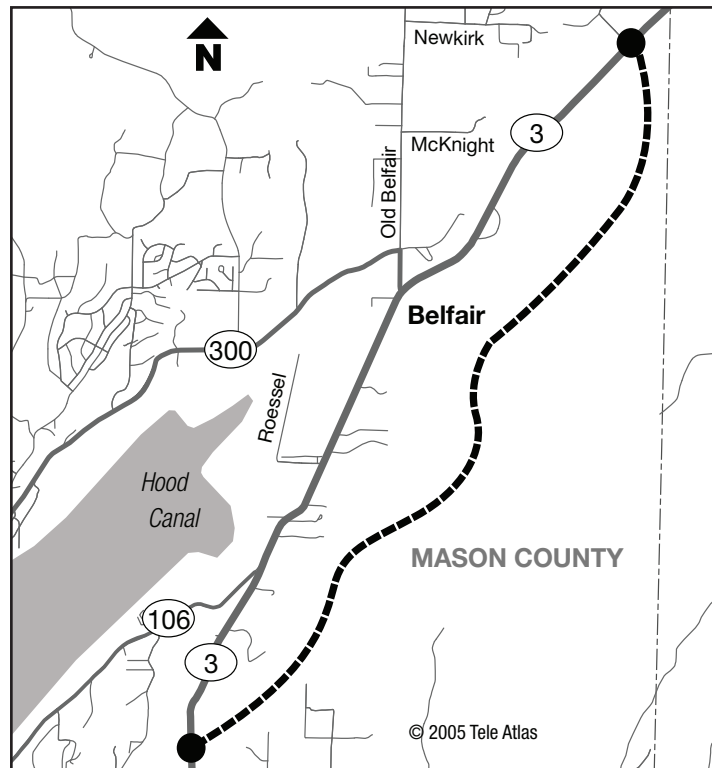

WSDOT Project Engineer Michele Britton hopes for another large turnout for this upcoming meeting. "The public has played a vital role in this project's direction. We look forward to continuing a community partnership for this project as we seek a balance between regional mobility needs and quality of life concerns that are so important to the residents of north Mason County," said Britton.

**Tuesday, October 23, 2007, 4-7 p.m.**  
**North Mason High School Gymnasium**  
**200 E. Campus Drive, Belfair, WA 98528**
